

Applied Geodata Science I

Session 8

Prof. Dr. Benjamin Stocker
Spring semester 2023

Survey results

- Flipped classroom, presence on Mondays:
 - Flexibility appreciated (“[...] *most of the time I’m working.*”)
 - Support and interaction appreciated.

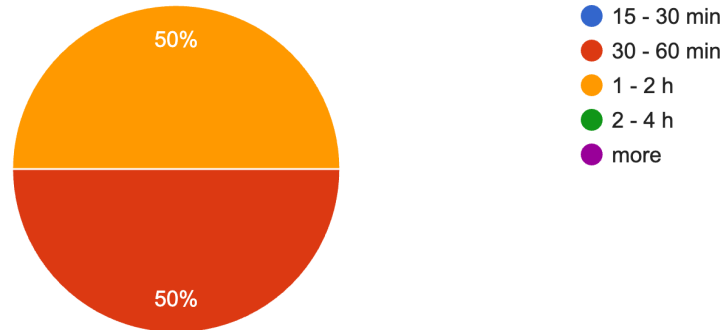

- Flipped classroom, presence on Mondays:
 - Flexibility appreciated (“[...] *most of the time I’m working.*”)
 - Support and interaction appreciated.

- Flipped classroom, presence on Mondays:
 - Flexibility appreciated (*“[...] most of the time I’m working.”*)
 - Support and interaction appreciated.
- Input presentations:
 - *“To hear the content of the chapter in different words again helps to improve the understanding.”*
 - More on implementation, “live coding”
 - More about GitHub

- Workload and credits

How much time did you spend on reading the tutorials on average across Chapters 1-7 (online book, without exercises)? (per Chapter)

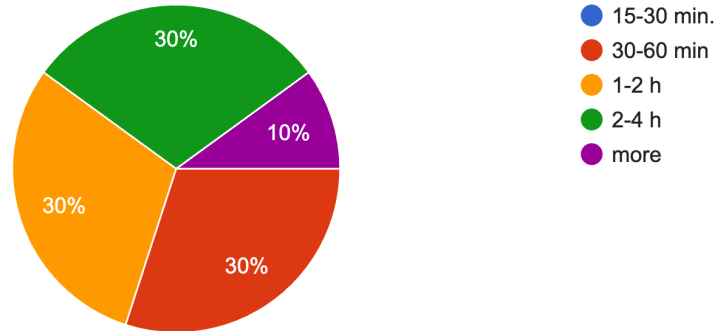

10 responses

- Workload and credits

How much time do you spend on working on the exercises (those with solutions)? (per Chapter)

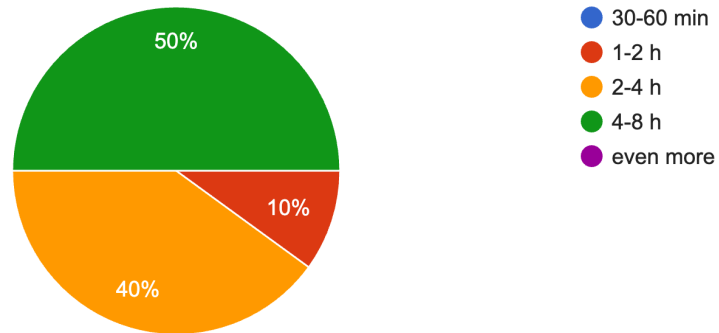

10 responses

- Workload and credits

How much time do you spend on working on the Report Exercises? (per Report Exercise)

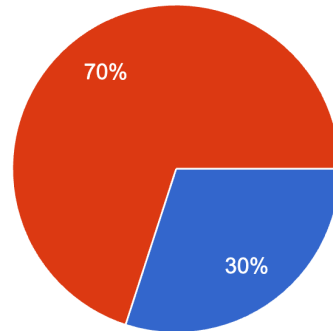

10 responses

- Workload and credits

Are the 4 ECTS appropriate for the overall workload?

10 responses

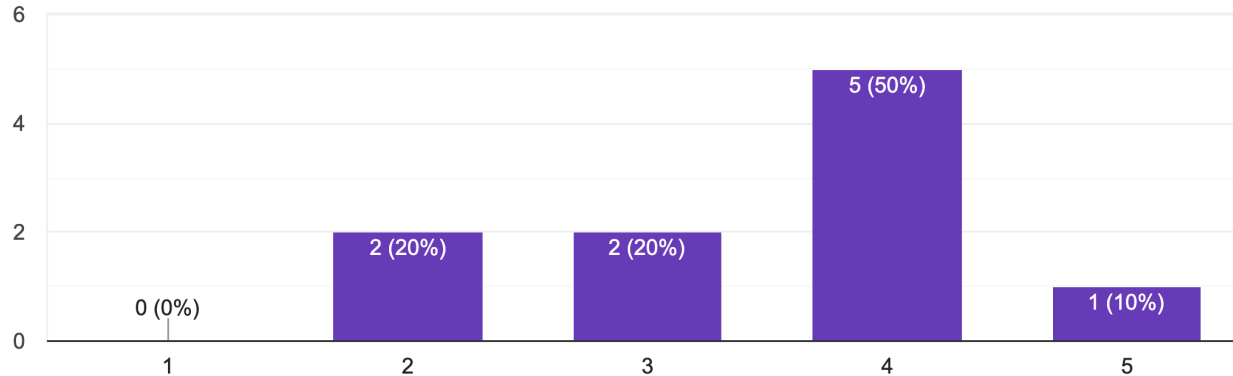

- No, 4 ECTS is too little
- Yes, 4 ECTS is about right
- No, E ECTS is too much.

- More guidance on Report Exercises desired

“I mostly not sure what really is asked for in the report excercises and if I really did what was asked for.”

Do you feel confident completing the Report Exercises?

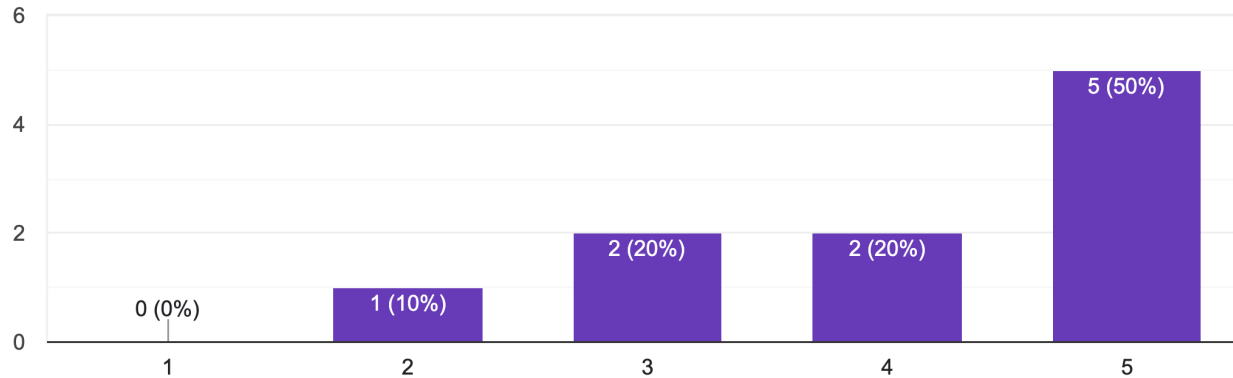

10 responses

- Overall satisfaction

Would you recommend this course to colleagues?

10 responses
